

FORM FOR INCLUSION IN SCHOOL DIRECTORY – DUE BY FRI., SEPT. 16th

The school directory is a great resource for Waters teachers, families and parent volunteers to communicate classroom-specific news and can help when you want to ask parents about homework assignments, plan gatherings, etc. For security purposes, the directory will not be posted publicly in the school or online. Families will receive a printed directory for their child's grade only when the directory is completed. If you wish to access the complete school directory, you can view a copy in the office.

To be included in the 2011-2012 directory, please follow these instructions:

- Complete and return this form to the PTC box in the school office or your child's teacher by Fri., Sept. 16th
- **ALL WATERS FAMILIES, NEW AND RETURNING, must complete and turn in this form if you wish to be included in the directory, even if you were in the directory last year and your info hasn't changed. This is the new policy.**
- Only complete the info that you want included in the school directory. Leave blank any information that you do not want included.
- If you have more than one student, you may complete just one form that includes information for all
- If you prefer, you may email your info to directory@waterstoday.org by Fri., Sept. 16th
