CAPE AFTER SCHOOL PHOTOGRAPHY (& ZOOMOGRAPHY)

Students will develop a unique vision through individual projects and family collaborations. Students will discuss each other’s work through positive feedback in a supportive environment. While we use photography mainly, be ready to move your body, write poetry, and get inventive with objects lying around the house!

Open to students from 3rd-6th grade.

With Mrs. Ramos and Mr. A

Days: Tuesdays and Thursdays 3:15pm-5:15pm

Students will be invited to join a google classroom where they will join the meet

*no previous experience or camera ownership required.
