- Only incoming Kindergarten students with their primary caregivers can attend (no siblings or extended family members).
- The **maximum of five families can sign up for one 15 min time slot** (10 mins to meet with the teacher and 5 mins to transition out of the area).
- You may enter your designated location **only** during your allotted time slot.
- Parents are responsible to supervise their child(ren) and keep them by them at all times. We will not permit children gathering or playtime during this time. Our top priority is safety for your family and our teachers. Let's support each other by following all healthy protocols.

*If your child/children needs a Chromebook for remote learning, please complete this survey: [Waters Family Tech Survey](#)

Your homeroom teacher will contact you via email to sign up for your designated slot.
