## LSCAB Candidate Statement Form

Name: Jade R Bryant-Moore

School: Grangerman Elementary

My name is Jade Moore and I am a mother of five amazing children. I want to be part of The LSC Advisory Board also known as (LSCAB) because I know I can make a difference. I know I could bring so much to this board, I am the voice of reasoning. I know that I can bring awareness and also advocate for those who simply want to be heard. I know being on this board as a team we can make a difference in the education world. I want to bring equality aspects to this board which is communication, I want to advocate, assist, and accomplish. I want to make a difference. I know being apart of this board that I can make it happen. I am believer that we are the change and investing in our children is imperative. Doing this chaotic time we need to pull together and strive because we are all we got! We are one big family and now it's our time to overcome and beat all odds. • Stability, Communication, and Development!

Thank you Jade Moore

## LSCAB Candidate Statement Form

Name: Ursula A. Taylor

School: Abraham Lincoln Elementary

I am a collaborative and solutions-oriented leader currently serving as a parent representative on the Local School Council of Abraham Lincoln Elementary School. In Lincoln Park we benefit from an engaged parent population and a community consisting of a wide range of racial, ethnic and socio-economic backgrounds. The focus of our newly-elected LSC has been to continue Lincoln's culture and commitment to excellence in education while ensuring successful outcomes for all of our students in a way that is both equitable and inclusive.

Our LSC sought to further these policy goals as part of a recent mid-Year principal selection process. As a member of our LSC's Principal Selection Committee, my committee-members and I focused on candidates' potential with respect to advancing diversity equity and inclusion, as well as improving outcomes for our diverse learner populations. I meaningfully contributed to the successful completion of this selection process in February of this year – in the midst of CPS' transition to hybrid learning and while our school was reporting one of the highest rates of student return to school among the District. I also served on our school's Continuous Improvement Work Plan ("CIWP") Committee last year and helped identify areas of critical need and strategies to serve our marginalized groups, including our diverse learner and African American student populations.

In addition to my service as a member of our LSC and PSS, I also balance responsibilities as (i) a mother of three young children, (ii) a healthcare litigation attorney, and (iii) a business owner owning my own law firm in Lincoln Park. As an attorney, I am a skilled speaker, writer, problem solver and collaborator. My approach to serving my community is, and always has been, to: (1) work for the kids; (2) focus on equity; and (3) adopt a mindset of service. My skillset, experience and mindset make me uniquely qualified to amplify the voices of my community and marginalized groups in a way that is both authentic and effective.

Name: Mia Erica Feldman

School: McPherson School

Tom a parent who has  
has their child at McPherson  
since 1st grade. I have  
volunteered and have been involved  
with their character program  
since both of my children  
have attended since 1st  
grade with me who just make  
part of it. I believe there  
was to be a parent to  
represent children's program  
and be their voice. I  
am a volunteer and  
a board member. I  
bring a lot of information  
regarding to school in  
and they are going with  
me.

Sincerely,  
Mia Erica Feldman
