

**2018 Cardboard Challenge (A Family Make, Build, & Tinker Workshop)
SATURDAY, OCTOBER 13 FROM 9 AM TO 12 PM**

FREE EVENT AT WATERS ELEMENTARY

Kids of all ages (and their families) are invited to build something amazing out of cardboard, recycled materials and imagination! This event kicks off this school year's STEAM (Science, Technology, Engineering, Art and Math) initiative and Maker Movement, an integral part of our curriculum plan. It is also part of the Imagination Foundation's 2018 Global Cardboard Challenge, inspired by 'Caine's Arcade'.

Learn more and sign-up by October 10 at 2018-cardboard-challenge-waters.eventbrite.com.
