Dear Waters Families,

First and foremost, we hope that this letter finds you and your loved ones safe and well in the midst of these unprecedented times.

Today, our district shared preliminary information regarding the plan to reopen our schools this fall. The plan highlights three models (Learn at Home, Hybrid and Learn at School). Please be sure to read through these proposed models. Our district wants to gather your thoughts and ideas on how best to resume school in a responsible and safe manner. Your input is crucial in this planning process. Here are two ways you can provide your feedback.

First, we encourage you to complete the parent survey which you can access here [School Reopening Survey](#).

Second, you can also register to attend one of the community meetings to provide your feedback.
