

Dear Families,

Our school is collecting funds for an All for Books program leading up to our Scholastic book fair, which begins Wednesday, November 29! By donating \$1 or any loose change in this baggie, you help us:

- Give more of our students easier access to books
- Help get more kids reading and kids reading more

Waters will match the total amount collected to help us go even further in our efforts to give our students access to books! How fantastic!

Please send your donation and the attached signed book slip, if you wish, to school with your child by **Tuesday, November 21**. Your act of kindness helps bring more knowledge, imagination and love for reading into the lives of our students!

Thank you for your generosity!
