

NCWIT Aspire

INTRODUCING MIDDLE SCHOOL GIRLS TO
TECHNOLOGY

Find your tech talent!

Middle school aged girls (Grades 5-8) are welcome to sign up and participate in an exciting program to further their technology experience! Participants will complete a 7 day programming camp held on Saturdays that will include: Robotics, *Scratch* and *Javascript*. Participants will also take a field trip to a technology office!

Lane Tech
2501 West Addison St

Lunch and snacks will be provided for participants

Participants qualify to receive a scholarship to attend just by signing up!

Run and taught by Lane Tech students in the Computer Science Department!

Course Fee: \$50

Participants are expected to attend all dates and pay the course fee in full.
The fee supplies snacks, shirts, and materials

Dates Held

January 23, January 30,
February 6, February 13,
February 20, March 5, and
March 12 from 9AM-2PM
