SelectivePrep Selective Enrollment Exam Preparation Program – Waters Elementary Students

Get your child into one of the Chicago Public School's Selective Enrollment High Schools. Competition for admission is fierce and intensifying – last year over 16,000 students applied for about 2,800 available openings.

One third of the entrance score is determined by your child's performance on the Selective Enrollment High School Entrance Exam. SelectivePrep offers a 16 hour program to help prepare students for the Selective Enrollment Entrance Exam. SelectivePrep's course will review all the Exam's Reading, Math, Language, and Vocabulary topics and discuss optimal test taking techniques. Included in this program is a Study Guide containing extensive content review and exercises.

Tuition for the SelectivePrep Program is \$440. A minimum deposit of \$100 is required to hold your spot, with the balance due the first class. Class size is limited to 20 students, so don't delay.

To sign-up: Call us at 312-409-8411 OR Register on our website (www.selectiveprep.com), hit "Register for a Class" and choose the "On-Site Waters Elementary" Program. We will need a minimum of 10 students registered to run the class after school at Waters.
