As the parent/guardian of the above name student, I understand that my child failed a vision screening test performed at school, or was recommended for a comprehensive eye exam to determine if he/she needs prescription eyeglasses or other treatment by a vision care professional (Provider).

I understand that as part of this eye exam, pharmaceutical agents (eye drops) will be used for the purpose of dilating my child's eyes. These drops are an important part of an eye exam to allow the Provider to conduct a thorough eye health exam. I further understand that the temporary effects of these eye drops may include blurred vision and sensitivity to light, both of which could restrict my child's mobility making it unsafe for him/her to travel unassisted or to operate a vehicle for the rest of the day. I further understand that this eye exam may be performed by an Optometrist; an Ophthalmologist; qualified specialist; or an intern, a resident, or a student clinician or technician under the supervision of an Optometrist, Ophthalmologist, or another qualified specialist, and I consent to have my child receive the above exam and/or treatment. I consent to all of the following services unless the boxes below are checked "no."

I further understand that neither the school nor the Board of Education of the City of Chicago (Board) are supervising or overseeing any services (such as an eye exam) or materials (such as eye glasses) that may be furnished to my child and that the Board and the school will have no responsibility for the quality of any such services or materials.

In consideration for the services and materials that my child will receive, I hereby agree to indemnify, release and hold harmless, and defend the City of Chicago, its departments, employees, officers, contractors, volunteers, agents, and representatives, and the Board and its members, trustees, agents, officers, contractors, volunteers, representatives, and employees from any liability which may accrue to me or my child, for any and all claims, losses, injuries, damages to me or my child, both known and unknown, foreseen and unforeseen, arising in connection with my child's receipt of services and materials, whether or not said claims, losses, injuries, damages, or liabilities result in whole or in part from the negligence of the City of Chicago, its departments, employees, officers, contractors, volunteers, agents, or representatives, or from the negligence of the Board, its members, trustees, employees, officers, contractors, volunteers, agents, or representatives. I further agree to release and hold harmless the Providers and Co-Sponsors, their employees, officers, volunteers, agents and representatives from and against any and all claims, demands, actions, complaints, suits or other forms of liability that will arise out of or by reason of, or be caused by any performance of services provided by such Providers or the quality of the eyeglasses or any other materials furnished by them under the Program, unless attributed to their willful or wanton misconduct. In the event that one provision of this form is held unenforceable, that provision shall be severed and the remainder of the form shall remain in effect.

I understand that the Provider will bill the Illinois Department of Healthcare and Family Services (HFS) or any other currently applicable insurance for any reimbursable services and/or materials.

I understand that my child may be selected to be photographed, video taped, audio taped or interviewed as part of promotional documentation for the Vision Program. I consent to the use of my child's photograph, voice or likeness by the Board or the Provider or CDPH, but not the use of my child's last name. I understand there is no compensation, monies, or reimbursement for my child's participation.

If you do NOT want your child to receive the following services, please check the appropriate box. Please note services will be performed unless indicated otherwise.

- At this time **I DO NOT** consent for my child's eyes to be dilated
- At this time **I DO NOT** consent for my child to be photographed or interviewed
- At this time **I DO NOT** consent for my child to be surveyed to determine if glasses, if prescribed, are helping

By signing below, I understand that I am giving my authorization to the City of Chicago Department of Public Health (CDPH) and the Board of Education of the City of Chicago (Board) to release and furnish information regarding past vision screening data in my child's education record to Providers to ensure that the Providers can effectively provide services. I authorize the Providers to release and furnish reports to my child's school, including written and verbal reports concerning the results of any eye exam, for inclusion in my child's education record. I also authorize CDPH to release to the Board, my child's information, the date and type of vision services provided, whether my child was recommend for follow-up services, and other information the State of Illinois requests the Board to report. I understand that such records will be subject to the privacy rights afforded by state and federal law. I further authorize Providers to disclose vision exam information and billing information to the Illinois Department of Healthcare and Family Services (HFS), for the purpose of insurance billing. CDPH and Providers may not condition treatment, payment, or eligibility for benefits on this authorization or my refusal to sign such authorization.
